**Monthly School Report**  
**February 2020**

**1. EDB announced class suspension**

Additional local cases of the 2019-nCoV virus infection have been confirmed. The Education Bureau (EDB) has announced the class suspension will be extended to 19th April. Class may be resumed on 20th April.

During the period of the class suspension, our school opened from 8:30 am to 4:00 pm. Teachers were on duty to take care of the students who came to school. All school activities will be cancelled during this period. During the period of class suspension, our school provided learning materials and homework to students by email, online platforms, or other effective ways to deliver online teaching and to facilitate students in self-directed learning so as to sustain students' learning. Students were required to submit their homework to their teachers. Teachers supervised and monitored their students' learning progress and homework submission.

**2. Cancellation of the Going Over Mock Examination Papers for S.6 students**

The arrangement of going over mock examination papers for S.6 was cancelled. Students are asked to take their marked examination scripts. S.6 subject teachers went over the papers through an online platform.

**3. Cancellation of the Farewell to Graduates Assembly**

Because of the EDB announcement of the class suspension, the Farewell to Graduates Assembly scheduled on 7th February was cancelled.

**4. Cancellation of the 47th Athletic Meet**

Because of the EDB announcement of the class suspension, the 47th Athletic Meet scheduled on 11th and 12th February was cancelled.

**5. Cancellation of the PTA Meeting and Parents' Talk**

Because of the widespread the 2019-nCoV virus infection, the Executive Committee of the PTA scheduled on the evening of 21st February and the Parents' Talk scheduled on 29th February were cancelled.

**6. Cancellation of the S.4 Life Education Camp**

Because of the EDB announcement of the class suspension, the Life Education Camp scheduled from 26th and 28th February for S.4 students to help them adapt to the changes in the Senior

Secondary School Curriculum and set up their own life goals was cancelled.

## **7. Cancellation of the Second Life Wide Learning Day**

Because of the EDB announcement of the class suspension, the second whole school Life Wide Learning Day scheduled on 28th February was cancelled.

## **8. Report from Subject Departments**

### **Geography Department**

- (1) 5C Sin Kwan Lok, 5C Yiu Hiu Tung and 5D Lau Ho Yeung have participated in Youth Geological Conservation Ambassador Program of the 5th NWS Hong Kong GEO Wonders Hike and succeeded in being the Top 5 winners. They are able to join the exchange trip to Taiwan. The date will be confirmed when class resumes.
- (2) During the period of class suspension, our department has a new trial on:
  - S1: the adoption of Language Across Curriculum (LAC) in junior form Geography syllabus. Students have to learn English language in studying Geography
  - S2: Flipped Classroom in learning map reading
  - S3-S5: teaching videos taken by the teacher by using a screen recorder and the use of Google Classroom
  - S6: Zoom online teaching

## **9. Report from Academic Affairs Committee**

- (1) During the class suspension period, the summaries of learning materials and assignments for each subject were collected by Academic Affairs Committee on Fridays. The information was posted in the eClass and Parent App on Mondays. Through effective e-learning platforms, online learning materials and assignments were delivered to students in order to achieve the aim of “suspending classes but not suspending learning”.
- (2) S.3 Elective Subjects Introduction Talk scheduled in February was cancelled due to the class suspension. Videos were therefore produced to introduce the curricula of elective subjects. The hyperlinks of videos were delivered online.
